FILLED WITH ULTRA LOVE AND VIOLENT EROTICISM♥ THE LEGEND OF SAKIRA BEGINS!

My super strong classmate, Ran, is my cute lover ♥ We are so in love!
...Or that's how it's supposed to be.
I think he's cheating on me!

Bousou Kereshi features many other stories. Included is Keitachi's meeting with the normally weak glasses boy. He loses his rationality and goes erotically wild!

The first comic of Sakira; the beginning of a love-eroticism legend!

ATOGAKI
あとがき

Nice to meet you. I'm Sakira.
Finally, my first comic!
Since my magazine debut, I took my time drawing it. Even though it's a manga that took approx. 2 years, I think it has a different feel than a "long" manga.
My lines are crude as ever...
But lately I've been doing my best to be careful with that... at least, that's what I intended. But I still don't know how to do proper panel division and stuff like that.
Manga is difficult, eh! I'll concentrate hard.
Btw, I love muscular chests.

Men with V shaped bodies with big biceps not forgetting the bulging chest muscles! It would be even better if it was a tanned body!
So, in this manga I had to colour in nicely-toned tanned skin, so it was pretty tiring.
Someday I want to challenge myself with brown skinned nikes. Oh, and also I wanna try a serious yakuza story, maybe, rather than just dumb joke stories.

The thing that always worries me is the sex scenes. I have to make sure that they do not clash with other works...
My boss gave me a Western gay porn video, which she called a "souvenir", so I can spend my days 'studying' various things. I have to get better at this, after all~

This is sudden, but to all my readers!
Please accept the new Sakira♥
